Hi Palmer,

Sorry for the delay in getting back to you. I had called Justina to discuss the issue with her and she was well aware of the event and said she didn't need anything further from me so I had not prepared anything in writing for her. She is super nice and I'm sure would be happy to discuss with you. The only thing Shoren and I had talked about before me calling Justina was maybe the need for a description of foods being served but when I spoke with her she said she didn't need anything. If you talk with her and need anything further than the invitation, let me know. The cost of the food is less than \$25.00 per person. It is not a sit down, being served event. It is a reception with finger foods (albeit salmon!). Let me know if you need more. Thanks and good luck!

Wayne
